Dear Maria:

Thank you for your letter of January 6, 1983, regarding the little church at 5th & R Avenue that your family has recently purchased.

After reviewing the historical origins and history of the church, this property is hereby designated an Anacortes landmark building with the one provision that all applicable sections of the zoning ordinances will be enforced.

I hope that this designation is of satisfaction to you.

Sincerely,

CITY OF ANACORTES
